

Charts for tonite
Subject is again---Trend and process

I will discuss a letter I got about grand manipulation and talk about the problems of processing vs trading.

What did Livermore mean when he said he made more money with his ass?
How do you know when to use your ass and when to use your brain?

1. CA-weekly

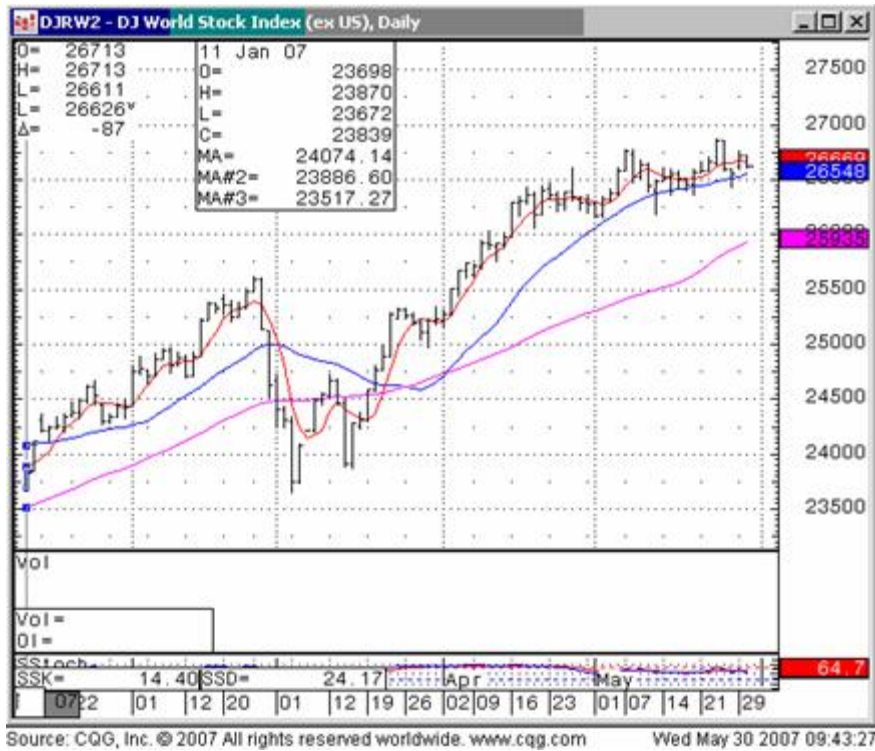

2. Quarterly

3. Djr2 quarterly

4 DJ world stock index (exz US) daily

5. lumber
